RE: Contested Application for Permit #67-15030—Grossen

Dear Parties:

During the prehearing conference last November, parties discussed negotiations regarding the above contested case. It was left that I would move forward with the scheduling of a hearing if there was not a settlement reached by year end.

This letter is to notify parties that if a settlement withdrawal is not received by **February 10, 2012**, the Department will move forward with the scheduling of a hearing. You will be notified by certified mail of the date and location.

Should you have questions or concerns please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

John Westra, Manager
