Re: Ownership Change water right #37-12864

Dear Sir,

During research the Department found that the ownership on the above water right needs to be updated. This is a water right located on 106 Pioneer Rd, Lot 8 of Pioneer Subdivision #3. If you believe this water right to be yours a *Notice of Change in Water Right Ownership* document is required to make this change. I have enclosed the required form. Please fill out the document, remembering to sign it and include the support documentation and the fee of \$25. Please return the completed document to the Department. Confirmation of change will be returned.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
