RE: Notice of Security Interest for Water Right Number(s) *see attached*

Dear Interested Parties:

As per our conversation on February 9, 2012 I am returning your Notice of Security Interest unprocessed, at this time the department is not returning your filing fee of \$275.00, receipted with the department as receipt number S032339 as per your request . Our research indicates that some of the water rights listed on your application and listed on the mortgage attached are not in the name of Joel and Belva Andersen, the water right owner according to your application. Please find attached a print out from our database showing all the water rights currently in the name of Joel and Belva Andersen. Please review the information and resubmit your application.

Please resubmit the application along with the required documents to:

Idaho Department of Water Resources
900 N Skyline Ste A
Idaho Falls ID 83402

If you have any questions about this matter feel free to contact me at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
