RE: Change of Ownership for Water Right Nos. 45-690, 45-691, 45-7004, 45-7186A, 45-13904 and 45-14182

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

A portion of water right 45-13904 was leased to the Water Supply Bank (bank) on November 15, 2010. To date, part of the right appurtenant to 0.43 cubic feet per second (cfs) and 42 acres (2 acres in the SWSW, 7 acres in the SESW, 3 acres in the NESE, 10 acres in the SWSE and 20 acres in the SESE, Section 6, T12S, R24E) remain leased to the bank. In accordance with the water supply bank lease acceptance, the lessor may not use the right while it is in the bank, even if the right is not rented from the bank. This portion will remain in the bank until December 31, 2015 unless the right is released from the bank earlier by the Idaho Water Resource Board, or upon request by the lessor. To change the term of the lease or to release the right from the bank, the lessor must submit a request in writing to the department.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
