FYI—

Mrs. William D. Brown called today, and is getting all her information together (warranty deeds, death certificate, etc), and will be coming into your office to do some ownership changes. Some of her water rights are 37-12530, 37-4371, 37-12532, 37-804, 37-11830, and she thinks since William and his brothers did some trading around, that there are some other water rights that she has splits on but isn't sure.
