Hi Mary,

I have been helping out on your ownership change. I do have some questions.

From what I understand: William D and Darlene-spouses/ no children between them
Walter C never married
Francis J and Becky Ann-spouses
Robert C and Ila L – spouses /children Mary ,Sheri and Becky Lynn
Becky Lynn children are Megan and William

The above is all correct.

It also looks like you girls(Mary , Sheri and Becky) with Richard inherited a property that has been sold to Robert Farrow. This has nothing to do with the property and water rights in question, I am pretty sure. We sold some lots years ago. Don't really remember who to.

Is the above all right? Please correct me if it isn't.

Also, is Becky Ann still alive and who does Richard W belong to? Yes, Becky Ann is still living in Gannett and Richard W (Rick) was Frances son from previous marriage.

Thanks for your help in this.

Hope this helps....let me know if you have more questions. Thanks for your help Mary
