Dear Lessor:

**RE: APPLICATIONS TO LEASE WATER RIGHT NOS. 74-15836, 74, 15882, and 74-15961
TO THE WATER SUPPLY BANK**

Dear Applicant:

The Idaho Department of Water Resources acknowledges receipt of the applications to lease the above referenced water rights to the Idaho Water Resource Board's Water Supply Bank. The Department will review your application as resources allow.

Water right 74-15836 is still in the name of Vergil Olson. You filed for a change of ownership on this right in January 2012 and it was subsequently processed. You received ownership of a split, or a portion, of the Olson right 74-15836. Your portion of this right is numbered 74-15961. We received your lease application for 74-15961 and will process it accordingly. However, we are returning your application for 74-15836 since you no longer own a portion of that right. We are also refunding the \$250 lease application fee you paid for 74-15836. You should receive a check from our Fiscal office within 2 to 4 weeks.

If the right is determined to be eligible for acceptance into the bank, the right will be entered into the bank as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required. Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Sincerely,

for
