RE: Change in Ownership Water Right No. 13-4224 & 13-7391

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The ownership change for 13-7391 has been completed and a acknowledgement letter was mail on June 10, 2011.

Our review of your notice indicates that additional information is required for 13-4224 before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** According to the notes in the file an ownership change is required for Charles Neil and at the time his ownership change is submitted you will submit a agreement specifically splitting the water right. At this time the department has not received this information.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
