SYSTEM INFO

Pump Diversion

* approx HP? SEE pump house

* owner can provide pump curve? get specs from motor/pump, then website?

* approx mainline pipe diameter? ?

* closed system? approx type/number sprinklers used? N/A

* open discharge? to what size/type ditch? yes buried pipe to flood area, so can't measure

* approx operating psi? ? low, since not sprinklers

Well include copy of well log in exam report

N/A shallow g.w. pond

* see "pump diversion" above

* approx static water level (if no well log found)?

* approx drawdown when pumping (dynamic pumping level)?

Gravity Diversion

* earth or cement ditch? approx width/depth of ditch?

> SEE Above

* pipe/other non-ditch diversion? specs - diameter, length etc.?

Dist: pond surface to pt.?

¹ OK to do exam w/o anyone present if owner agrees in advance, provides info so you can find p/d, how system works, how recognize p/u etc. Usually limited to small systems – spring/creek/well for cabins, few acres irrigation, minor stockwater/wildlife/recreation etc.
