Travis, Bruce,

We are on the home stretch for finalizing and consolidating all your water rights. The last step is a water right transfer that allows you to use any combination of your existing water rights at any of your three active wells. Find attached the transfer application packet. Please review and sign the application and mail to Attention: Steve Lester with a check in the amount of \$1,860 for the filing fee. Please ensure to include all the attachments. Thanks. Call with any questions.
