RE: Change of Ownership for Water Right 36-4227

Dear Water Right Holders:

On September 22, 2011, I sent a letter to you indicating that more information would be required before processing this ownership change. I spoke with Mr. Allen on October 19, 2011. No further documentation or phone calls have been received.

I went ahead and added the Allens and Lothspeichs as current owners along with David and Bonny Ross. David and Bonny Ross will remain as current owners until ownership changes are submitted for each of the 3 homes covered by this water right. I have enclosed a copy of the water right report for your convenience.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Administrative Assistant
