RE: Draft Transfer Application No. 77629

Ralph,

Please find enclosed the transfer application we discussed last Wednesday. Please look it over carefully. It changes the location of the permissible place of use for the suite of water rights on your ranch as we discussed. It does not change the points of diversion or make any other changes to the water rights.

The fee for this transfer is \$1240.00. If it is acceptable to you, please sign it where noted before a notary and return it to me with the fee and copies of the deeds to all the property involved. If you have any questions please do not hesitate to call. If you wish to drop it off personally just let me know a day or so in advance.

Respectfully,
