Describe the reason for the proposed changes

This application changes the location of the permissible place of use. The reason is to move water rights from less productive or rocky land to better land and land recently purchased without water rights. The redefined lands will also allow for installation of more efficient sprinkler systems and get away from furrow or flooding type of irrigation on some of the land.

4. FOR CHANGES IN NATURE OF USE ONLY**A. Describe the expected quantity of the return flows and location of discharge after the proposed change**

Does not apply.

B. Describe the effects on other water uses resulting from the proposed change

Does not apply.
