Thanks for taking the time to meet with Travis and me today regarding the two Six S Ranch transfers filed on June 30th. As discussed, we are working on answers to the questions you had, as well as the additional analysis and map you requested. We understand that an amended transfer will need to be filed no later than 30 days from today, or September 10th, in order to keep the original transfers active for processing, without the need for re-filing or additional fees.

We appreciate your assistance, Corey. Thanks, again.
