

CONVERSATION MEMORANDUM

TO: Water Right Permit File No. 78-12389

FROM: Darla Block

DATE: January 26, 2012

SUBJECT: Telephone Conversation Regarding Proof Due Notice Mailed Out
Certified on December 30, 2011.

On January 24, 2011, I received returned mail a ("proof due notice") which was sent out certified to the address of record for the permit holder.

On January 26, 2011, I contacted the permit holder by phone. The permit holder explained that he was away, and wasn't able to get the certified mail before the postal service returned the envelope back to IDWR as unclaimed.

The permit holder explained that he would be leaving again and would not be back until the 17th of February. He requested that IDWR go ahead and resend the mail to the same address, and he would pick it up as soon as he gets back. He also stated that he would send in a completed form right away. I resent the proof due notice through regular mail, since I had already sent it out certified the first time.
