Notice of Change of Ownership for Water Rights Nos. 25-13472 and 25-13473.

Dear Jonie:

Enclosed for processing is a *Notice of Change of Water Right Ownership* for two water rights owned by our client High Stone Gravel LLC. Both of these water rights have a domestic and stock water component. We are aware that the place of use for the stock water portion of Water Right No. 25-13472 covers the entirety of Section 11 of Township 1 North, Range 37 East. Our client only owns a small portion of the land in Section 11 in the NW NW and the SW NW. The point of diversion is located on our clients' property, but we are uncertain how or if the stock water portion of this water right should be split.

If you have any questions, or if I can be of any assistance in resolving this matter, please do not hesitate to contact me.

Best Regards,

Luke H. Marchant
