If because of my physical or mental incapacity certified in writing by a physician, the Successor Trustee hereinafter named shall assume active administration of this trust during my lifetime, such Successor Trustee shall be fully authorized to pay to me or disburse on my behalf such sums from income or principal as appear necessary or desirable for my comfort or welfare. Upon my death, unless the beneficiary shall predecease me or unless we both shall die as a result of a common accident or disaster, my Successor Trustee is hereby directed forthwith to transfer said property and all right, title and interest in and to said property unto the beneficiary absolutely and thereby terminate this trust; provided, however, that if the beneficiary hereunder shall not have attained the age of 21 years, the Successor Trustee shall hold the trust assets in continuing trust until such beneficiary shall have attained the age of 21 years. During such period of continuing trust the Successor Trustee, in his absolute discretion, may retain the specific trust property herein described if he believes it in the best interest of the beneficiary so to do, or he may sell or otherwise dispose of such specific trust property, investing and reinvesting the proceeds as he may deem appropriate. If the specific trust property shall be productive of income or if it be sold or otherwise disposed of, the Successor Trustee may apply or expend any or all of the income or principal directly for the maintenance, education and support of the beneficiary without the

intervention of any guardian and without application to any court. Such payments of income or principal may be made to the parents of such beneficiary or to the person with whom the beneficiary is living without any liability upon the Successor Trustee to see to the application thereof. If such beneficiary survives me but dies before attaining the age of 21 years, at his or her death the Successor Trustee shall transfer, pay over and deliver the trust property to such beneficiary's personal representative, absolutely.

2. The beneficiary hereunder shall be liable for his proportionate share of any taxes levied upon the Settlor's total taxable estate by reason of the Settlor's death.

3. All interests of a beneficiary hereunder shall be inalienable and free from anticipation, assignment, attachment, pledge or control by creditors or a present or former spouse of such beneficiary in any proceedings at law or in equity.

4. 5. I reserve unto myself the power and right at any time during my lifetime to amend or revoke in whole or in part the trust hereby created without the necessity of obtaining the consent of the beneficiary and without giving notice to the beneficiary. The sale or other disposition by me of the whole or any part of the property held hereunder shall constitute as to such whole or part a revocation of this trust.

6. The death during my lifetime, or in a common accident or disaster with me, of the beneficiary designated hereunder shall revoke such designation, and in the former event, I reserve the right to designate a new beneficiary. Should I for any reason fail to designate such new beneficiary, this trust shall terminate upon my death and the trust property shall revert to my estate.
