RE: Change in Water Right Ownership 35-7301

Dear Mr. Stander,

I have received information you may be the new owner of the above listed water right. This right is currently in the name of Earl Farmer. In order for the name to be changed, the appropriate document(s) need to be submitted to the Department of Water Resources.

Water right owners are required to report any change in water right ownership or address to the department within 120 days of the change. Forms and instructions may be found on our public web site www.idwr.idaho.gov, however, I have enclosed the necessary form and a water right report showing the details of this water right.

Please feel free to contact this office or the regional office and ask for a water rights agent if you need assistance.

Sincerely,

Christine Roberts

Subject: Customer Call - Not WR Owner

Chris,

I got a call from Earl Farmer in Blackfoot regarding a letter he received. A notice for a meeting at the Bingham County Courthouse on Feb 13th. His name is on Right 35-7301, but he sold the property years ago & owns no water rights now. The property is in the name of Stander Land LLC now.

I didn't know if this is one of your letters or not, but wanted to pass the information on.

Pam
