RE: Change of Ownership for Water Right 35-2477, 35-7961A, and 35-12663

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing your address of the above referenced water rights. The department has modified its records to reflect the change in address and has enclosed a computer-generated report for your records.

The ownership of these water rights is currently in the names of Jerry Bauer and Emil E Bauer and Larry Bauer. On your request for address change Toni Bauer also signed the form. I show no water rights listed in her name. Therefore, if you wish to add her to the water rights you will need to submit an Ownership Change form signed by all current owners. I have enclosed an Ownership Change form for your convenience.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact me at (208)287-4910 if have any questions regarding this matter.

Sincerely,

Danni M. Smith
Technical Specialist 2
