RE: Water Right Nos. 63-320B & 63-15428

Dear Water Right Holders:

It just came to the Department of Water Resource's attention that the Applications for Extension of Time to Avoid Forfeiture submitted for water rights 63-320B and 63-15428 were recommended for approval, but the Action of the Department portion was never completed or signed. The applications were re-reviewed and approved.

The resumption of beneficial use of water for water right **63-320B** shall occur on or before **October 31, 2017**. The resumption of beneficial use of water for water right **63-15428** shall occur on or before **December 31, 2017**. I have enclosed a copy of each approved document.

Please notify the Department as soon as you resume use of the water. If you have not notified the Department sixty (60) days prior to the resumption deadline, the Department will send you a Resumption of Use Notice by certified mail.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Please contact any office of the Department for the proper form to file a change of ownership of the water right and/or a change in the address of the owner or if you have any questions concerning this matter.

If you have any questions concerning this matter, you may contact me at (208)287-4952.

Sincerely,

Emalee Rushing
