RE: AMENDED APPLICATIONS FOR TRANSFER OF WATER RIGHT,
MELODIE AND WAYNE BAKER AND DICK AND BETTY BAKER

Dear John:

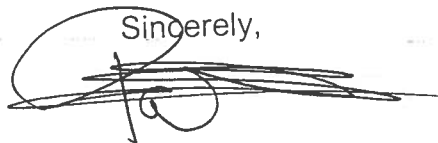

As we discussed earlier today, enclosed are the Second Amended pages to the applications for transfer of water rights No. 72-00201A, 201B, 201E, and 201H. These changes are to reflect the typographical error on page 1 of each Application for Transfer.

Under No. 4. "Point(s) of Diversion"-description after the requested change, the Application currently reads: "***may include the SWNESW of Sec. 5 also." It should read "***may include the SWSESW of Sec. 5 also." This is to reflect the POD may be further south and in any event is near the northern boundary of the SWSESW.

I have enclosed an amended copy of page 1 of each Application. Please insert them into the appropriate place.

Thank you for your assistance with this. If you have any questions, please feel free to call me.

Sincerely,

Patrick D. Brown
