RE: Change in Ownership Water Right No. 34-10216, 34-14125 & 34-14127

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee \$100.00 per water right for ownership change resulting in division of the water right:** Water Right number 34-10216 is ok to data enter. Please find attached a map of the place of use water right number 34-14125 and 34-14127 and the property purchased as per the warranty deed received with your application. According to the documentation received a split will be required. The department acknowledges receipt of \$75.00, the fee for your application will be \$225.00, so an additional \$150.00 will be required (2 water rights X \$100.00 per water right and 1 water right X \$25.00 per water right). Please provide additional fees for the department to complete your ownership change. If you believe the department should not split the water rights above please submit additional documentation indicating your ownership.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

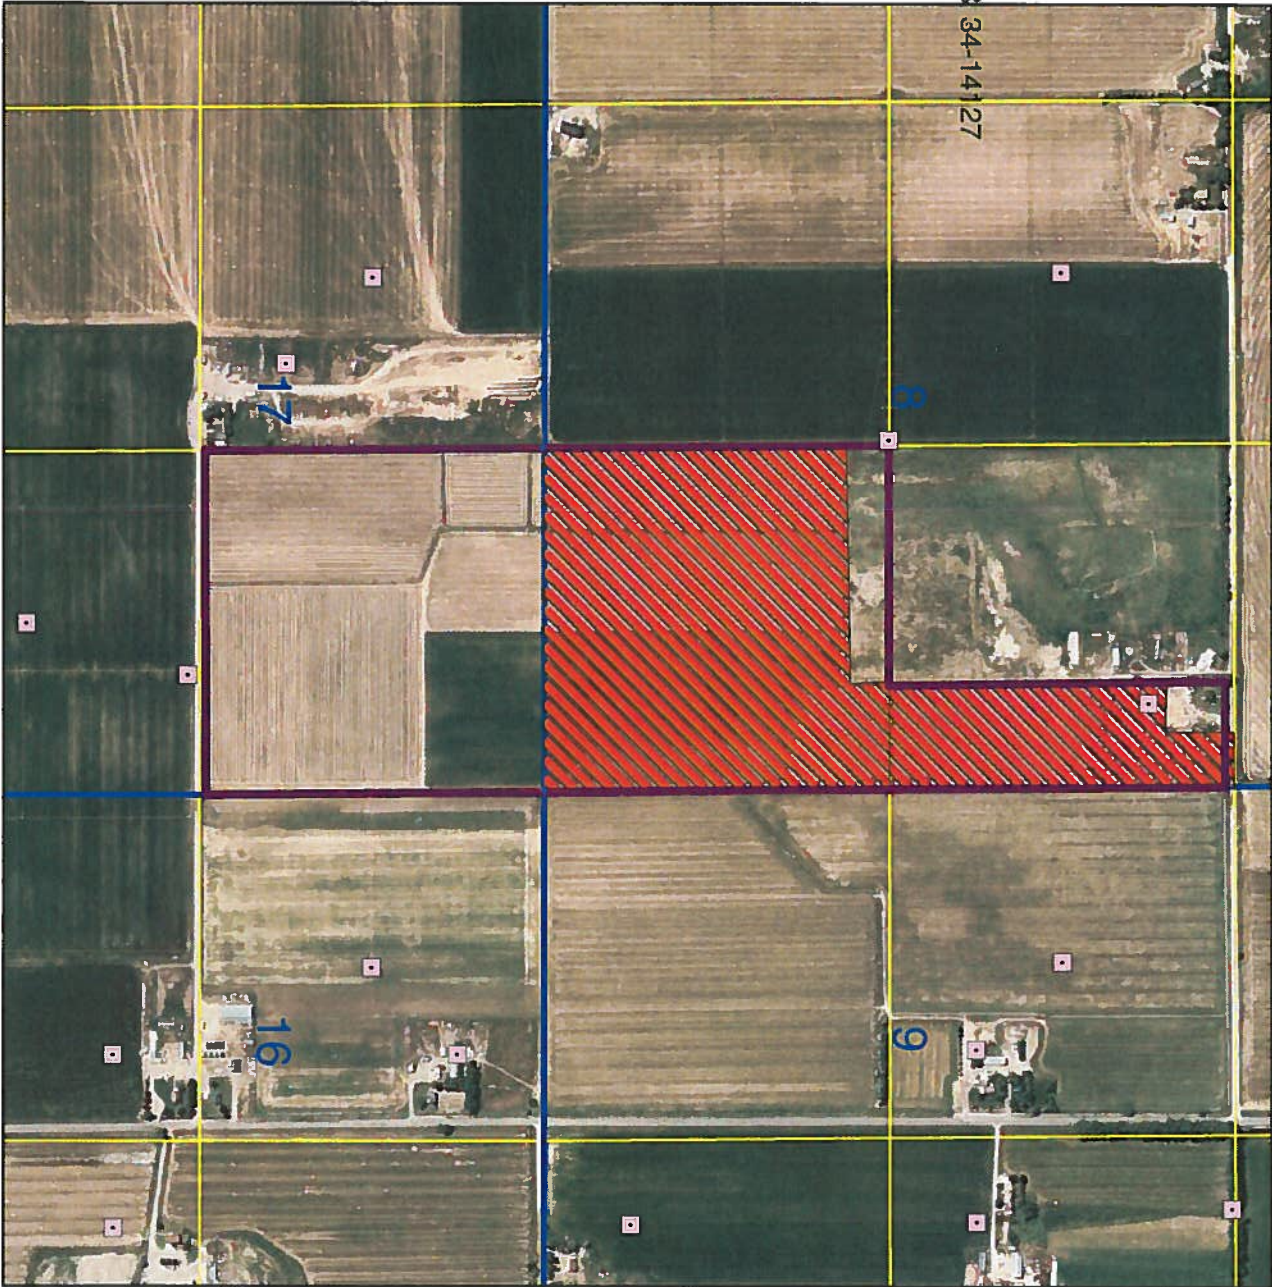

Jonie Barg
Technical Records Specialist
