Dear Ms. Rushing:

Per your letter from 12/15/2011, you requested a copy of the deed with signatures and the property description in order to complete the transfer of water right. This letter is in response to that request regarding water right # 63-12121 which is in the previous owner's name, Ralph and Charlotte Yeakley. The following pages should provide the information you required regarding the transfer of ownership.

Thank you for your assistance getting this water right transferred.

Sincerely,

Scott Krahm
