Subject: Butte County Ownership Change 34-172G

Danni:

It was a pleasure speaking with you on the telephone this afternoon.. After our discussion, Butte County sent me a copy of the letter that was received from the State Office. I took some time and discussed the issue with James Cefalo. He requested that this file be sent to Eastern to be processed. There are some issues with the wrong numbers being recorded on warranty deeds, these issues need to be corrected prior to an ownership change being processed.

If you could please forward this file to our office it would be appreciated.

Thanks,
