RE: Notice of Change in Water Right Ownership

Dear Interested Party:

The Department of Water Resources received a Notice of Change in Water Right Ownership on April 27, 2007, from Butte County for water rights 34-503E, 34-7226D, 34-313B, 34-172G, and 34-446D. The warranty deed that was submitted with the notice was recorded as Instrument No. 033865 on Dec. 4, 1998. The notice was not processed as the required fee of \$25 per water right was not submitted and it appears that the wrong water right numbers were listed on the notice.

The warranty deed indicated that the property conveyed was in the SE ¼, Section 32, Township 4N, Range 27 East, Boise Meridian. The water rights which are appurtenant to that property are 34-503D, 34-7226C, 34-313A, 34-172F, and 34-446C. Upon your request and receipt of the fees of \$125, I can change the numbers listed on your notice and process the ownership change.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Administrative Assistant
