RE: Notice of Change in Water Right Ownership

Dear Mr. McAfee:

The Department of Water Resources received and processed your Notice of Change in Water Right Ownership for water rights 34-503D, 34-7226C, 34-313A, 34-172F, and 34-446C on June 6, 2005. A subsequent Notice of Change in Water Right Ownership submitted by Butte County resulted in a re-review of your notice.

The water rights listed on your notice are located in the SE¼, Section 32, Township 4N, Range 27 East, Boise Meridian. The deed submitted with the Butte County notice was recorded in 1998, and conveyed the SE¼ and appurtenant water rights to Butte County. Your deed, which was recorded as Instrument No. 0039622 in 2003, conveyed the E½ NW¼ and the E½ SW¼ of that same section. The water rights which are appurtenant to the parcels conveyed to you are 34-503E, 34-7226D, 34-313B, 34-172G, and 34-446D.

Since the water rights on your notice (as listed in the first paragraph) were conveyed to Butte County in 1998, I will need to undo the ownership change that was processed. If you'd like me to change the numbers listed on your notice, I can process the ownership change for water rights 34-503E, 34-7226D, 34-313B, 34-172G, and 34-446D. The entire water rights will be placed in your name.

It is my understanding that the N½ NW¼ has since been sold to Greenwich Ballistics. It will be up to that entity to submit a Notice of Change in Water Right Ownership for any portion of the water rights that may have been conveyed to them. I have enclosed a spreadsheet which reflects the ownership of the property per my phone conversation with the Butte County Assessor's office.

Please let me know within 30 days how you would like to proceed. Please feel free to contact me at 208-287-4952 if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Emalee Rushing'.
