RE: Map of your Property

Dear Mr. Spillett:

Pursuant to our telephone conversation today, I am sending you two maps of your property. Additionally, you asked me if you could drill a different well under right 41-7053. If you abandoned your current well; no authorizations from the Department are necessary to re-locate your point of diversion for right 41-7053 as long as you drill the new well within the SENW of Section 20, Township 10S, Range 31E. If you find that you must drill your new well at a different location, you must file an Application for Transfer to change the location of the well on your water right.

Please let me know if you have any questions regarding this matter. You may contact me at (208) 287-4944.

Sincerely, .

Cherie Palmer, Sr. Water Resource Agent
Water Allocation Bureau
