RE: Notice of Change of Ownership for Water Right No. 27-12235 from Idaho Water Company, LLC to Cannon Shelley Property Limited Partnership.

Dear Jonie:

Enclosed for processing is a *Notice of Change of Water Right Ownership* of Water Right No. 27-12235. We have also included a *Special Warranty Deed* for this particular water right that was recorded on December 1, 2011, as well as the approved transfer for this particular water right that was approved by the Department on October 7, 2011, as transfer No. 77443. This water right was converted to a commercial and stock water water right from an irrigation right, and therefore, we have not included a map or aerial photo that shows the place of use and point of diversion. The location of the water right use is the Cannon Dairy located in Shelley, which is listed in one of the conditions of the transfer approval referenced above.

We have also included the required \$25.00 filing fee. With these documents, we believe you have everything you need to update the Department's records accordingly.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
