To Whom It May Concern:

My parents are both deceased and my sisters and I inherited these water rights. Prior to their deaths they formed a trust, The O Thayne Thompson and Betty M. Thompson Trust. However, the water rights were never changed into the trust name, just kept in their individual names. I have enclosed a copy of the quitclaim deed transferring their property from their individual names into the trust. If there is any further documentation you need in this matter, please let me know.

Thank you,
