RE: Notice of Change in Water Right Ownership
Water Rights: 21-7349

Dear Mr. Aquino:

On January 17, 2012, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership, specifically a copy of a 'recorded' Deed or other legal document indicating your ownership; this document will include a legal description of the property or list the water rights specifically.

Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change unprocessed.

Please feel free to re-file your ownership change any time in the future when you have collected the requested documentation of ownership.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
