CONDITIONS OF APPROVAL

1. Place of use is within the service area of the City of Malad municipal water supply system as provided for under Idaho Law.
2. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
3. The issuance of this right does not grant any right-of-way or easement across the land of another.
4. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 9th day of January, 2012.
