Re: PPU Transfer Application Fee
Flying Hat Ranch

Dear Mr. Merritt:

Enclosed is Brockway Engineering Check # 7992 for \$ 250 for the application for transfer on behalf of Mr. Eccles for the change in permissible place of use in response to your June 12, 2008 letter.

The fee was calculated based on the number of acres in each 40 acre tract proposed to be changed within the 675 acre PPU. Note that the number of acres within the proposed PPU has not changed nor has the allowed irrigated acres of 596. The absolute value of the acres changed in all 40 acre tracts is 19.6. The ratio $19.6/675$ is 0.029 and the total authorized diversion for all water rights is 26.74. Therefore the discharge of 0.029×26.74 is 0.78 cfs for which a fee of \$250 is required by the water right transfer fee schedule.

Thank you for your cooperation in settling this matter. Please let me know if you need additional information.

Sincerely,

Charles E. Brockway, P.E.
