Hi Jeff,

I don't see any issues with that. We processed the WSB applications knowing there was a transfer in the works. Thanks for asking me, though!

Subject: Transfer of rights in the WSB

Monica-

I have a pending transfer (74910) that contains rights which have partially been leased to the WSB. The applicant (Eccles Flying Hat Ranch LLC) filed the transfer in 2008 to adjust the PPU, but due to objections in the SRBA we were unable to process the application until recently. Here is list of the rights in the transfer that are leased:

37-481D
37-482J
37-483D
37-577BP
37-917
37-11975
37-11976
37-11977
37-11978
37-2713
37-7356

Do you see any reason why we can't move forward with approval of the application from the WSB's standpoint?

Thank you!
