letter is to inform you that your right will be reevaluated to determine if trust water is available for diversion and if your continued use of trust water remains in the public interest pursuant to Section 42-203C, Idaho Code. ¹

The Department will contact you when review of your right is to begin. The Department does not anticipate beginning reevaluation until after the Snake River Basin Adjudication workload and other priorities are mostly completed. At that time, you will be asked to provide

¹ If you are the owner of a water right permit subject to a stay in development by order of the Department, or if your permit has not been developed for other reasons, this letter does not change the status of your permit and the term review described in this letter will still apply.
