Re: Trust Water Term Review for Water Right No. 35-8103

Dear Water Right Owner:

Water right records of the Idaho Department of Water Resources indicate that you are the owner, represent the owner, or have a security interest in a water right or permit based on an appropriation of "trust water" pursuant to Section 42-203C, Idaho Code (see <http://www.legislature.idaho.gov/idstat/Title42/T42CH2SECT42-203C.htm>). Trust water consists of flows of water in the Snake River and its surface and ground water tributaries between Swan Falls Dam and Milner Dam that are in excess of the minimum stream flows established at the Milner Dam.
