Subject: Change of Address Request

Received December 28, 2011. Took some research some of the water rights were changed but not other. I just updated all contact information per your request. You should not be receiving any mail to the old address, however there are several mailings going out for the Water District meetings and they may contain an old address, but when it is returned they will research and find the new address and resend. Sorry for the inconvenience. Thank you for sending IDWR your address. If you have questions, please contact me at 208-287-4910
