RE: Notice of Change in Water Right Ownership No(s). 65-18239

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined additional information is needed to complete this request. The additional information needed is a warranty deed or other conveyance document that includes the legal description of the property and has been notarized. A deed of trust only protects the lender in real property transactions. We need documents transfer put the property from the previous owner to you.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

You can mail the required information to the address above or fax it to: 208-334-2348.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
