CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
2. Use of water under this right shall be non-consumptive. At such time in the future as the Director determines necessary to protect the prior rights of other users, the Director may require determination of the rate of loss within the system using a procedure approved by the Director, and may require mitigation for all system losses.
3. Return flow discharged to a subsurface system must be authorized by a separate injection well permit.
4. Commercial use is for a soil processing laboratory.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 9th day of January, 2012.

for GARY SPACKMAN
Interim Director
