Dear Tim;

I just wanted to drop you a line and let you know what is doing on with Water District 29D. Marshall has spent quite a bit of energy this past month following up on the past due accounts. He has succeeded in several of them paying their assessments. We have been working on getting a third and for some a fourth billing for the year. Many addresses have been updated for this mailing. For those who have purchased property and water rights, I am enclosing a "Notice of Change of Water Right Ownership" form and the instructions for filling it out and sending it in.

We do have one cancelation of ownership. It is from Edward DeSano, assessment #1070. Marshall got it in May but asked me not to send it in until he had a chance to make sure Mr. DeSanto understood the ramifications completely. We meet last week and he asked me to go ahead and send it in. It is enclosed.

I plan to create and send to you a spreadsheet with all of the changes I have made. I do, however, hesitate to change the owner on the assessment until I have heard from you or Christy.

I anticipate that we will have some time this winter to make our records copasetic. Thank you for your time. I am available at (208) 241-5922 if you need to talk with me.

Sincerely,

Joyce Rendace
