RE: Change in Ownership for Water Right Permit 78-7254

Dear Mr. Webb:

The Department of Water Resources acknowledges receipt of your correspondence regarding a change in ownership of Permit 78-7254. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Filing Fee** of \$25 per water right permit

Because this water right is still in the permit stage, an **Assignment of Permit** will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Kari Lynn Townsend
Secretary
