Re: Ownership Change water right #37-4336

Dear Mr. Loomis,

The watermasters office for Basin 37 informed the Department you need to remove your brother Steve from the above water right. A Notice of Ownership Change form with conveyance documents is required to be submitted in order to do this. I have enclosed the required form. Please fill out the document, remembering to sign it and include the support documentation. If your brother sold you his half of the property or has passed away leaving you as heir, no fee is required. Please return the completed document to the Department.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Carrie Hahn', is written over a light blue circular stamp.
