RE: Transfer No. 77615 – Richard Kraatz

Dear James:

My law firm represents Richard Kraatz, the applicant for the above-referenced Transfer. Please consider this letter as a petition to reconsider the inclusion of Condition of Approval No. 3. In the course of the SRBA, we have specifically negotiated with the Department to have water rights decreed to this and adjoining property which total 2 inches per acre as that amount is required for the current flood irrigation practices. Please contact me right away if you have any questions or concerns about this request.

Thank you.

Sincerely yours,
