RE: Water Supply Bank Lease for 31-2465

Dear Lessor:

This letter is to update you on the status of a portion of your water right for irrigation of 18 acres in Jefferson County. This water right was leased into the Water Supply Bank by the previous owner. A change of ownership was received and resulted in you owning the water right. **A portion of your water right is considered leased to the Bank, and should remain unused, until it is released from the Bank.**

The portion of the water right referenced above will be rented from 2011 to 2015.

We are currently processing 2011 payments to lessors like you. To allow us to process your payment, we will need you to complete and return the enclosed form W-9 (Internal Revenue Service Request for Taxpayer Identification and Certification).

The Department of Water Resources is required to file an information return with the Internal Revenue Service for all payments issued for water rented from the Bank. Payments for rentals cannot be issued unless the Department has received a completed IRS W-9 form.

Please return this form within ten (10) days from the date of this notice, along with any additional documentation to my attention. If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
