**Attachments:** Stonegate Sub Transfer.pdf

John,

Attached is a scanned copy of a water right transfer application involving the community subdivision well for Stonegate Subdivision (located approximately 4.25 miles north and 0.9 miles west of the center of Ketchum, on the east side of Highway 75). As we discussed on the phone, the application is proposing to utilize the community well that provides water to the subdivision lots and a private well on Lot 5 of the subdivision to provide domestic water to Lot 5 of the subdivision. If DEQ has any comments and/or concerns please respond within 14 days. If you have any further questions, feel free to contact me at your convenience (736-3033).

Thanks,

Corey Skinner  
IDWR Staff Engineer
