RE: Water Right Permit 65-23140

Dear Permit Holders:

Yesterday we sent you a letter requesting you amend the above referenced permit to correct the location of the points of diversion. The corrected points are based upon GPS locations provided by the Idaho Department of Environmental Quality (IDEQ).

Please note that as of July 1, 2011, the filing fee for an amendment of permit was increased to \$100.00 rather than the \$50.00 requested in our November 29, 2011, correspondence. If you agree with the amendment request, please submit the form and \$100.00 fee to this office within the 14 day time period.

If you have any questions, please do not hesitate to contact me at 334-2190.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
