RE: WATER RIGHT NO. 38-08062

Dear Water Right Holder:

The Department has received your request the information submitted with your request roughly 390 acres may have been irrigated in August of 1990.

However definitive proof must be submitted example would be a Farm Service Agency request question for the year of 1990. This would be of acres irrigated. It appears you are within boundaries, who may keep aerial records in

Until this has been received, your request for continue to be processed.

If you have any questions regarding this matter 287-4949, email me at nick.vandyke@idwr.idaho.gov

Sincerely,

Nicholas Van Dyke
Water Resource Agent
