Mr. Blake Jordan

AFTER consultation with
water users of trout Creek 130
we have no objections to
Mr. Hale's request for transfer
of water rights (under application)
Permit # 13-7783, # 77048 as
long as water rights on trout Creek
are not injured. I have down
stream as well as up stream right
holders on trout Creek.

We certainly have no problems or
objections to transfers of historical
rights and names to present owner
names.

Thank you

Lynn Rasmussen
