Re: Assignment of Permit No. 65-22669

Dear Lindsey:

This letter confirms the above referenced permit has been assigned to include three permit owners. The current owners are listed in the enclosed printout. The recent assignment clarifies past confusion in this matter as noted in your October 26, 2011 letter.

A receipt for the assignment fee is also enclosed.

Please contact me at 208-334-2190 if you need further assistance.

Sincerely,

A handwritten signature in black ink that reads "Steve Lester". The signature is fluid and cursive, with the first name "Steve" and last name "Lester" clearly distinguishable.

Conditions of Approval:

1. 26A Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which permit holder had no control.
2. X02 Stockwater use is for 1200 dairy cattle and heifers.
3. 046 Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.
4. 121 The Director retains jurisdiction to require the right holder to provide purchased or leased natural flow or stored water to offset depletion of Lower Snake River flows if needed for salmon migration purposes. The amount of water required to be released into the Snake River or a tributary, if needed for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this permit.
5. 01M After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
6. 082 The dairy operation authorized under this approval shall comply with applicable county zoning and use ordinances.
7. Commercial use is for a dairy barn.
8. X01 Domestic use is for 1 home.
