RE: Myers Water Permit# 65-22669

On July 11, 2003 an assignment for Permit No. 65-22669 from Alan and LuJean Myers to Alan and LuJean Myers AND Northwest Farm Credit Services, FLCA was requested. This request was filed and confirmation was mailed to our office on July 18, 2003 with a search to confirm on July 22, 2003. Since that time, we have somehow been removed as an owner to the permit and replaced as simply a security interest.

On November 12, 2010 another request for assignment of Permit No. 65-22669 was submitted requesting the permit be transferred from Alan Myers to Alan Myers, Northwest Farm Credit Services, PCA and Northwest Farm Credit Services, FLCA. LuJean Myers was not part of this request as she passed away June 15, 2004. This request was denied by your office as you requested we complete your notice of security interest form. Since we want to be added as an additional owner of the permit and not as a security interest, and we were under the assumption that we were still listed as an owner to the permit as Northwest Farm Credit Services, FLCA as we were in 2003 we opted to leave the request alone at that time.

We are again working on a loan with Alan Myers on his real property. Tricia Johnson from my legal department has been in contact with Steve Lester in your office. From their conversation it was concluded that both Northwest Farm Credit Services, PCA and Northwest Farm Credit Services, FLCA can and will be added to permit No. 65-22669 when the appropriate paperwork is submitted.

Enclosed is an Assignment for Permit No. 65-22669 that transfers interest from Alan Myers to Alan Myers, Northwest Farm Credit Services, PCA and Northwest Farm Credit Services, FLCA. These assignments are being used as security for a real estate loan and we request that all notices and correspondence relating to them be sent to our office, as well as to the customer. Please record the assignment and return with a letter acknowledging receipt.

Should you have any questions regarding this matter, please call Beryl Kowalski in our Ontario, Oregon office at 541-823-2674 or Tricia Johnson in our legal department at 509-340-5324.

Sincerely,

Lindsey Johnson
Financial Specialist
