To Whom It May Concern:

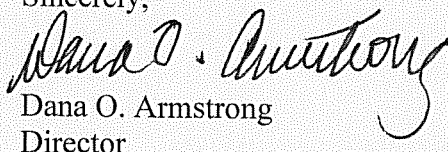

This letter is being sent regarding Water Right Number 63-28222.

In 2004 Donald D. Weber transferred the ownership of this water right from the Penfield Family Trust to Donald D. Weber. Sometime near the middle of that decade, Mr. Weber transferred ownership of the property associated with this water right (1345 W. Overland Road, Meridian, ID 83642) to Christian Family Matters, Inc. All public records currently show Christian Family Matters, Inc. as the owner of said property.

Mr. Weber passed away over one year ago. In his absence, we have not been able to find any sort of document indicating that Water Right Number 63-28222 was transferred from Mr. Weber to Christian Family Matters, Inc. Has this transfer taken place? If not, what must be done to document this transfer? Christian Family Matters, Inc. currently has the property at 1345 West Overland listed for sale. Should the property sell, we would need to have all records updated.

Thank you for your services.

Sincerely,

  
Dana O. Armstrong  
Director
